

IMPROVING OUR COMMUNITY'S HEALTH AND WELLNESS

At Marshall Health Network, we're not just about health care, we're also about people care, caring for the whole person – mind, body and spirit – at all times. That's why we offer a variety of free screenings and events for the community throughout the year focused on our community's most pressing needs of addiction services, behavioral health, obesity and elder care.

For the latest schedule of events, visit [marshallhealthnetwork.org/
