Senior Living Community
750 Peyton St.,
Barboursville, WV 25504

The Wyngate offers a new approach to senior living.

We are tailored to not only meet the needs of area seniors but to exceed their expectations. "Our Assisted Living Community has nurses and resident assistants on duty 24 hours a day to provide healthcare and personal assistance with such things as bathing, dressing and medication administration, all provided in a home-like environment. Independent living apartments provide an attractive residential option for those who want to retain their independence and privacy and still enjoy a sense of community with others."

Give us a call or stop by to see what everyone is talking about.

Specialized services: Assisted and independent senior living
