

Community Programs, Services and Resources

Adult Day Care

Adult day care offers mental, social, and physical activities for adults who've lost some independence due to cognitive impairments or chronic health conditions. The benefits of adult day care: provides meals, activities, and social interaction in a facility where older adults are monitored by trained staff.

Adult day services are the perfect fit for families

who wish to keep their aging loved ones at home, but need help during the day while they work.

TRANSITION SERVICES

Take Me Home Transition Program

The Take Me Home (TMH) Transition Program is a program of the West Virginia Bureau for Medical Services (BMS). The purpose of TMH is to identify qualifying residents of long-term care facilities who wish to return to their own homes and apartments in the community and

provide them with supports and services they need to do so. The TMH Transition Program is supported by West Virginia's Money Follows the Person (MFP) Rebalancing Demonstration Grant. Individuals wishing to transition to the community often face numerous obstacles including a lack of funds for security and utility deposits, lack of basic household items and furniture, limited community supports, and no one
