

Transportation

American Cancer Society — Road to Recovery

The American Cancer Society Road to Recovery program provides transportation to and from treatments for people with cancer who do not have a ride or are unable to drive themselves. Visit www.cancer.org/treatment/supportprograms-services/road-to-recovery.

Ridesharing

Ridesharing is a car service with which a person can use a smartphone app to arrange a ride in a usually privately owned vehicle such as Uber or Lyft.

Non-Emergency Medical Transportation

Non-Emergency Medical Transportation (NEMT) is available to Medicaid members who need assistance in order to keep scheduled medical appointments and treatments. In order to be eligible for NEMT, a person must be a Medicaid member and have an appointment for medical treatment that is approved under Medicaid guidelines.

For more information, to request gas mileage

reimbursement, or schedule a trip please call the Medicaid NEMT broker, LogistiCare at 1-844-549-8353, Monday-Friday 7 a.m. to 6 p.m. at least 5 business days before your appointment.

They will need to have the member's name, Medicaid ID number, home address, phone number, where the member is to be picked up, the name, phone number and address of the health care provider, the date and time of your appointment and general reason for the appointment. Also, please let the operator know if you have any special needs such as a wheelchair accessible vehicle, assistance during the trip or someone to ride with you.

Senior county providers also offer transportation to doctor appointments, nutrition sites, shopping or other vital destinations. Contact your County Senior Provider to find out what may be available in your community. Please see list of providers on pg. 12-13.
