

Tel-Assistance/ LIFELINE

Through Tel-Assistance/Lifeline, telephone companies offer reduced basic service to eligible low-income elderly and disabled customers. The Division of Family Assistance issues applications to eligible recipients and provides ongoing eligibility information to the telephone companies and informs them when customers are no longer eligible for Tel-Assistance. This is handled centrally by the Division of Family Assistance. The Tel-Assistance/Lifeline

Program is a telephone service that provides a monthly benefit on home or wireless phone and broadband service to eligible households. This benefit can lower or eliminate the cost of your monthly phone or internet bill. Only one benefit is available per household, home or wireless, but not both. Please contact the Bureau for Children and Families (Division of Family Assistance DFA) for an application at 304-558-0628 or online at www.dhhr.wv.gov. Completed applications must be sent to your telephone company for approval.
